<b>Barre Blend:</b> Using the ballet barre, you will strengthen, lengthen and tone your body with isometrical movements. Your total body workout will also include pilates and mat work.
<b>Silver Chair Yoga:</b> This class will increase your breath capacity, body flexibility and strength through gentle yoga poses and stretches.
<b>Silver Strength:</b> Designed for our older, active exercisers, this class focuses on toning muscles to prevent injury and improve bone density, balance and overall well-being.
<b>Silver Stretch &amp; Yoga:</b> This class focuses on yoga stretches and strength using light weights. Enjoy the relaxation achieved through yoga poses while increasing stamina and strength. 30 minute class.
<b>Slow Burn Yoga:</b> Slower progressive sequences to longer holding postures will bring your entire body and mind into balance in this intense, yet calming class.
<b>Slow Flow Yoga:</b> This class is a slower-paced, meditative flow-style class, where you can connect deeply to each posture and focus aligning and connecting to your pranayama breathing.
<b>Strength &amp; Endurance:</b> Blast calories and improve your strength and total fitness through cardio and TRX circuits as well as challenging mat work. 45 minute class.
<b>Total Conditioning:</b> Tone up and increase strength and flexibility in this resistance training class. Perfect for the adult who is looking for an intermediate strength training workout. 45 minute class.
<b>TRX &amp; Silver TRX:</b> An incredibly effective total body conditioning and toning class, the TRX Suspension Trainer provides a workout that leverages gravity and your bodyweight. Adjust your body position to add or decrease resistance. Silver TRX is a 45 minute class.
<b>Yoga for Healthy Hips &amp; Backs:</b> Improve your overall health and well-being with yoga poses and stretches targeting the back and hips.
