

## Northville Parks & Recreation 2021 SAFETY TOWN PARENT INFORMATION

Dear Families:

Welcome to the Northville Parks and Recreation's 2021 Safety Town. We are looking forward to teaching your child about safety in the home, at school and in the community.

### REMINDERS:

- ❖ **Safety Town new location: Millennium Park.** We will be outside, so please be sure to pack plenty of fluids and sunscreen. Program runs Monday-Thursday from 9:30am-12:00pm, with Friday set aside as a make-up day if we have to cancel a day due to weather.
- ❖ Please walk your child to the check in table under the pavilion and make sure they are with their instructor before you leave. Children should arrive between 9:25am-9:30am. Children should be picked up no later than 12:00pm. Every day the parents **MUST** come to check-out table to sign out their child(ren).
- ❖ As a part of the Safety Town program, each student will receive a t-shirt on Wednesday. Participants will also take home a folder at the end of the week, with everything that was covered/completed during the week of Safety Town.
- ❖ **If your child has any food allergies, please let us know. Due to food allergies, please do not bring drinks containing red dye or snacks with nuts (including peanuts, tree nuts, and Nutella). Campers will have a snack around 11:00am every day.**
- ❖ If your child is going to be picked up by someone other than yourself, we must have names of people to whom your child can be released in writing. Please check with the staff to add any names to the roster, especially for carpools. All children must be signed out by an authorized person each day to leave Safety Town.
- ❖ Please make sure your child's name is written on all of their belongings (backpack, lunch box, water bottle, etc.).
- ❖ Please bring a filled water bottle each day.
- ❖ Please bring sunscreen, or have your child(ren) put it on prior to arriving.

If you have any questions or concerns, please call 248-349-0203
